CAPI

CAPCOM's legacy of video game excellence spans more than a decade. In the arcade and in the home, CAPCOM games are synonymous with outstanding control, vibrant graphics and unsurpassed playability. Blockbuster hit after blockbuster hit are a testament to a complete commitment to creativity, quality and excellence.

CAPCOM's biggest and best franchises have been a driving force behind both hardware and software sales in the video game business. You know them by name: Street Fighter, Resident Evil, Mega Man, Breath of Fire, Marvel Super Heroes and others. Each of these continues to push the limits of technology and innovation while delivering unsurpassed gameplay.

Once again, CAPCOM stands at the forefront of the gaming world with an incredible line-up of products. Backed by years of industry experience and premier licenses, CAPCOM focuses on the growth and evolution of both new and well-known properties like Resident Evil 2, X-MEN VS. Street Fighter and Mega Man Neo.

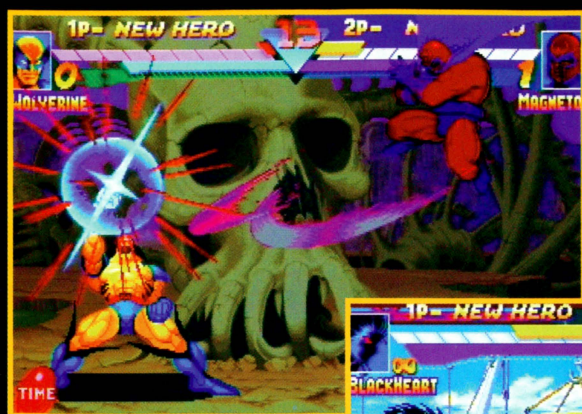

We would like to extend a special thanks to all our enthusiastic fans and players of our games over the years. We look forward to bringing you more of the hits you love to play, and to continue to stretch the limits of gaming.
